

Starting November 1, 2019 you can pre-purchase the Oklahoma Women Veterans Organization License Plate. The application to order the license plate will be available online at <https://okcars.tax.ok.gov/> / OR

If you prefer you can print out an application and mail it to the Tax Commission along with the associated fee. You can download the form here https://www.ok.gov/tax/Individuals/Motor_Vehicle/Forms_&_Publications/

The fee for the Oklahoma Women Veterans Organization license plate will be \$35 per year for renewal, and will be in addition to all other registration fees required to register your vehicle in Oklahoma.

Out of the \$35 renewal fee, our organization will receive \$20 from each renewal of each plate each year.

Here is the important part, **100 license plates must be pre-purchased with the Oklahoma Tax Commission by no later than April 30, 2020** in order for the license plate to become permanent. In the event that 100 license plates are not pre-purchased by April 30, 2020 the legislation will be null and void and money will be returned to those that pre-purchased.
