Oklahoma Women's Veterans Organization Tulsa Chapter-0212

In August of 2011, I was asked to start up a WVO chapter in the Tulsa area. It was a challenge. No idleness was in my retirement days from teaching. The challenge of starting a new chapter became a fantastic, adventurous journey which continues today. HQ provided me was a roster of veterans living in the Tulsa area and asked if we could be ready for a Feb 2012 installation. I accepted the challenge. My first call was to Moon Lim Canon!

Forming A TEAM of veterans to serve as officers was essential and ***"Together Everyone Achieved More"***. Next was finding a meeting location. The names of Sandy Oxford, Christy and Kelly Peterson and DAV Chapter 32 were mentioned.

Now you know the rest of the story. As I leave after four challenging and most enjoyable years of getting to know an entirely new community of people who are veterans and agencies whose missions are to support veterans, I am ever grateful to have served as OKWVO-TC President. Absorbed in this role, I learned more about my WWII parents and their generation and the sacrifices these men and women gave to perform at their best to defend our nation and to make a nation great. The generations that followed have added to this greatness. The photo I share with you include veterans from WWII through the Afghanistan War. We are ever blessed to have women and men who have served and continue to serve to make this nation great. I am lucky to have my parents as my greatest role models and to be around the nation's greatest role models every day. . . YOU!
